

COMMUNITY COLLEGE SYSTEM OF NH TRAINING WAIVER

This certifies that a Business and Training Director of the Community College System of NH has met with the named applicant to review an application for the New Hampshire Job Training Fund.

The applicant understands that so long as it is feasible, training shall be provided by the community college system, which may charge full market value for the training provided.

When the community college system cannot provide (the) desired training, the training grant recipient will be free to contract with some other training entity. The provider shall be specified in the grant award.

APPLICANT (COMPANY NAME)

I certify that the above applicant has reviewed the grant application with me and that the Community College System of NH New Hampshire waives its option to provide training as specified in the grant application.
